Saran will both teach and practice how to connect with the healing love of Jesus. "Hands-on" practice with prayer tools will include visualization, meditation, speaking with scriptural authority, and claiming the promises of God for our lives. Listening skills, intentional blessing, and prayers of protection will also be taught and practiced.

A love offering to support the ministries of Saran Warne and the local community of the Order of St. Luke will be taken during both Friday and Saturday services. Please make checks payable to 'Order of St. Luke'.
